If you're visiting today...

Welcome to Northpoint this morning. If you are in Taranaki on holiday may your stay here be a pleasant one. If you have recently moved to our region we hope you have a smooth transition into life in New Plymouth, let us know if we can be of assistance as you get settled. If you're not a regular church attender it is great to have you with us today, and if you have any questions regarding church or faith in Christ Jesus we would love to talk with you. If you would like to know more about what it means to be a life long follower of Jesus, or you just want to get involved in some way within our community, it would be great to discuss these things further with you. Stay for a coffee after the service and leave your contact details at the information desk using the form provided, there is a response box sitting on the counter where you can place your form.

It's great to have you here!
Blessings, Mike

Pastor's Pen

Greetings,

Things are starting to get back to normal for most people, some of our Life Groups got under way for the year this week, kindly also started back for the year this week, followed by schools next week. I am sure lots of you will be wondering what 2012 will hold for you, if you are anything like me you will have a range of hopes and dreams for the year. You will also know that it is incredibly difficult to predict exactly what will take place during the year, but one thing we can be certain of, is God's constant presence with us through the work of the Holy Spirit, no matter what we face.

2012 is set to be a big year for us as a church community here at Northpoint. As a leadership team it is our desire to see a new Associate Pastor appointed, alongside a restructure of our administration team with Sarah finishing at the end of March. Can I encourage you all to join me, the Elders and Staff in praying for the right people for these positions. Pray that the Holy Spirit will give us wisdom and discernment through the process of seeking the appropriate people to join our staff team.

Blessings,
Mike
